A minimalist line art illustration of a large conference table with rounded corners and a sturdy, multi-legged base. The table is shown from a low angle, emphasizing its scale. The legs are thick and rectangular, with some featuring casters. The entire illustration is rendered in a light blue color against a dark blue background.

Een logo op een meubel? Wij maken vaak het meubel persoonlijk met diverse materialen, zoals acrylaat contour gesneden letters of plexiglas logo's. Maar ook licht reclame kan precies de juiste sfeer geven.
